- No. 29 Death Among North Carolina's Children and Youth—Kathryn Surles and Gordon Daughtry (December 1983)
- No. 30 The Impact of Low Birth Weight on North Carolina Neonatal Mortality—Paul A. Buescher (December 1983)
- No. 31 Accounting for Congenital Malformations in North Carolina—Peggy D. Campbell (April 1984)
- No. 32 Multiple Patient Admissions to North Carolina General Hospitals during 1980—Paul A. Buescher (May 1984)
- No. 33 The Geographic Pattern of Tuberculosis in North Carolina—Michael J. Patetta (December 1984)
- No. 34 North Carolina Life Tables 1979–1981 (May 1985)
- No. 35 Update on the Health Status of American Indians in North Carolina—Kathryn B. Surles (June 1985)

- No. 36 Maternal and Child Health Statistics in North Carolina, 1969–73 through 1979–83 (July 1985)
- No. 37 Unintended Childhood Injury in North Carolina—J. Michael Bowling (August 1985)
- No. 38 North Carolina's Fertility: Recent Trends and their Implications—Kathryn B. Surles (September 1985)
- No. 39 Source of Prenatal Care and Infant Birthweight: The Case of a North Carolina County—Paul A. Buescher (March 1986)
- No. 40 Obstetrical Care In North Carolina—J. Michael Bowling and Michael J. Patetta (July 1986)
- No. 41 Alcohol-Related Morbidity and Mortality in North Carolina—Paul A. Buescher and Michael J. Patetta (July 1986)
- No. 42 Drowning Deaths in North Carolina—Michael J. Patetta (August 1986)
- No. 43 The Health of Minorities in North Carolina—Delton Atkinson (March 1987)
- No. 44 1990 Health Objectives for the Nation: The North Carolina Course—Kathryn B. Surles and Kathryn P. Blue (February 1988)
- No. 45 Abortion as a Correlate of Fertility and Infant Outcome in North Carolina—Kathryn B. Surles (June 1988)
- No. 46 A Descriptive Analysis of Housefire Deaths in North Carolina—Michael J. Patetta and Thomas B. Cole (September 1988)
- No. 47 Occupational Mortality Among North Carolina Males 1984–86: A Death Rate Analysis—Kathryn B. Surles, Paul W.C. Johnson, Paul A. Buescher and Kenneth P. Kaufman (December 1988)
- No. 48 Access to Prenatal Care in North Carolina: A Comparative Study of Women with Some Prenatal Care and Women with No Prenatal Care—J. Michael Bowling and Patricia Riley (February 1989)
- No. 49 An Assessment of Continuity of Patient Care Between two Public Health Department Services: One Use of the North Carolina Health Services Information System (HSIS)—Kenneth P. Kaufman and Paul A. Buescher (March 1989)
- No. 50 Occupational Mortality Among North Carolina Females 1984–1986: A Death Rate Analysis—Kathryn B. Surles, Paul W.C. Johnson and Paul A. Buescher (April 1989)
- No. 51 Health of the Elderly in North Carolina: Population at Risk and Patterns and Trends in Mortality—Kathryn B. Surles, Lee A. Sullivan and M.D. Nelson, Jr. (June 1989)

CHES STUDIES **(formerly SCHS Studies)**

- No. 52 North Carolina Surveillance of Birth Defects—Lee A. Sullivan (September 1989)
- No. 53 North Carolina Child and Adolescent Mortality—M.D. Nelson, Jr. (July 1990)
- No. 54 Knowledge and Attitudes about AIDS Among North Carolina Adults—William D. Kalsbeek, J. Michael Bowling and David H. Jolly (April 1990)
- No. 55 An Evaluation of the Impact of Prenatal WIC Participation on Birth Outcomes and Medicaid Costs in North Carolina—Paul A. Buescher, Linnea C. Larson, M.D. Nelson, Jr. and Alice J. Lenihan (March 1991)
- No. 56 Evaluation of Cancer Cluster Reports in North Carolina—Tim E. Aldrich, Julius Lindsey and Peter Morris (April 1991)
- No. 57 Head and Spinal Cord Injury in North Carolina—Tena H. Ward (May 1991)
- No. 58 New Items on the North Carolina Birth Certificate 1988–1989—Paul A. Buescher (June 1991)
- No. 59 A Description of North Carolina Medicaid Databases and Potential uses for Health Professionals—Kenneth P. Kaufman (July 1991)
- No. 60 North Carolina Birth Defects Update—Annette L. Murray (December 1991)
- No. 61 Diabetes Surveillance: Diabetes Mortality in North Carolina From 1980 through 1989—Lee A. Sullivan (December 1991)
- No. 62 The Effect of Prior Family Planning Participation on Prenatal Care Use and Low Birth Weight—Denise J. Jamieson and Paul A. Buescher (March 1992)
- No. 63 Assessing the Public's Health: Community Diagnosis in North Carolina—Kathryn B. Surles and Kathryn P. Blue (April 1992)
- No. 64 Diabetes in Pregnancy in North Carolina—Robert E. Meyer, Paul A. Buescher, Lee A. Sullivan (May 1992)
- No. 65 1990 Health Objectives for the Nation: The North Carolina Assessment—Kathryn P. Blue (June 1992)
- No. 66 Substance Use at Delivery in North Carolina Tertiary Centers—J. Michael Bowling, Julie Truax and Donna Scandlin (June 1992)
- No. 67 The Quality of Cancer Incidence Data in North Carolina—*An Evaluation of the Central Cancer Registry 1990 Database*—Carol R. Dickinson and Tim E. Aldrich (June 1992)
- No. 68 Quality of the New Birth Certificate Data: A Follow-Back Study in North Carolina—Paul A. Buescher, Karen V. Pinnex, Mary H. Davis and J. Michael Bowling (June 1992)
- No. 69 Diabetes Surveillance: Diabetes Hospitalizations in North Carolina—Lee A. Sullivan (July 1992)

- No. 70 Patterns in Maternal Mortality Related to Induced Abortion in North Carolina, 1963–1987—Robert E. Meyer and Paul A. Buescher (December 1992)
- No. 71 A Special Diabetes Surveillance Evaluative Study: The North Carolina Register of the Blind and Visually Impaired—Lee A. Sullivan (January 1993)
- No. 72 North Carolina's Minorities: Who and Where—Kathryn B. Surles (April 1993)
- No. 73 Pregnancy Complications and Perinatal Outcomes Associated with Maternal Diabetes—Robert E. Meyer, Paul A. Buescher and Kevin Ryan (May 1993)
- No. 74 1988–1990 North Carolina Birth Defects Registry Report—Annette L. Murray (May 1993)
- No. 75 Health Status of Native Americans in North Carolina (August 1993)
- No. 76 Health Status of Blacks in North Carolina—Kathryn B. Surles, Karen T. Graham (October 1993)
- No. 77 Health Objectives for the Year 2000: The North Carolina Challenge—Kathryn B. Surles (November 1993)
- No. 78 Hospitalization Among Elderly North Carolina Residents, Fiscal Year 1990—M.D. Nelson, Jr. (December 1993)
- No. 79 Race Differences in the Impact of Maternal Cigarette Smoking on Infant Birth Weight—Elizabeth Barnette (January 1994)
- No. 80 An Evaluation of the Effect of North Carolina's 1992–93 Oxygenated Fuel Program on Ambient Carbon Monoxide Levels in Urban Areas—David Vogt (January 1994)
- No. 81 Maternal Obesity and Excess Risk of Perinatal Mortality: Evidence from a Large Biracial Population—Elizabeth Barnett, David A. Savitz, Irva Hertz-Picciotto (March 1994)
- No. 82 Race, Education, and Mortality in North Carolina—Paul A. Buescher and Jack K. Leiss (April 1994)
- No. 83 Infant Death: Sociodemographic and Medical Risk Factor Analyses for North Carolina—Kathryn B. Surles, Paul A. Buescher and Robert E. Meyer (April 1994)
- No. 84 The Association of Medicaid with the Delivery of Services for Children with or at Risk for Developmental Delay—Harry Herrick (April 1994)
- No. 85 Local Health Department Problems and Priorities: Conclusions from the Fiscal Year 1994 Community Diagnosis Cycle—Kathryn P. Blue (October 1994)
- No. 86 An Ecologic Study of Cancer in Communities Near Paper Mills—Kathryn McLawhorn and Tim Aldrich (November 1994)
- No. 87 Charting the Course: North Carolina's Progress Towards the Healthy Carolinians 2000 Objectives (November 1994)
- No. 88 Trends in Cause and Birthweight-Specific Infant Mortality in North Carolina, 1987–88 to 1991–92—Robert E. Meyer, Paul A. Buescher and Kevin Ryan (November 1994)

- No. 89 Adolescent Health in North Carolina: The Last 15 Years—Kathryn B. Surles (January 1995)
- No. 90 Prostate Cancer Survival in North Carolina, Evaluating the Race-Specific Differences—Tim Aldrich, Dennis Williams and Ken Kaufman (January 1995)
- No. 91 AIDS Mortality in North Carolina, 1988–92—Elizabeth Barnette (January 1995)
- No. 92 Private Sector Worksite Health Promotion Activities in North Carolina: Results from the 1994 Survey—Jack K. Leiss and Melinda S. Burt (March 1995)
- No. 93 The Health of Young Children in North Carolina: Recent Trends and Patterns—Kathryn B. Surles (May 1995)
- No. 94 Statewide Coverage of Very Low Birthweight Infants and Teenage Mothers (Less than 15 Years of Age) in North Carolina's Child Service Coordination Program: 1991 and 1993—Harry Herrick and Anita Farel (June 1995)
- No. 95 Predictors of Inadequate Gestational Weight Gain Among African Americans and Non-Hispanic Whites—Elizabeth Barnett and Trude Bennett (August 1995)
- No. 96 Cesarean Sections in North Carolina, 1988–1993—Kathryn B. McLawhorn (August 1995)
- No. 97 Perinatal Mortality in North Carolina: Risk Factor Analysis by Race—Jennifer J. Bourbina and Paul A. Buescher (September 1995)
- No. 98 Trends in Coronary Heart Disease and Stroke Mortality Among Adults, North Carolina, 1980–1991—Elizabeth Barnett and Michele Casper (December 1995)
- No. 99 The Association of Poverty and Residence in Predominantly Black Neighborhoods with the Occurrence of Preterm Births Among Black Women: A Case-Control Study of Three North Carolina Metropolitan Areas—Harry Herrick (February 1996)

SCHS STUDIES

(formerly CHES Studies)

- No. 100 Socioeconomic and Birth-Related Factors Associated with Child Participation in WIC—J. Timothy Whitmire (September 1996)
- No. 101 Smoking in Pregnancy in North Carolina: Maternal Characteristics and Trends, 1988–1994—Paul A. Buescher (October 1996)
- No. 102 North Carolina Performance on *Year 2000* Child Health Objectives—Cheryl Waller (February 1997)
- No. 103 Summary of the Final Evaluation of North Carolina's Maternal Outreach Worker (MOW) Program—Harry Herrick (March 1997)
- No. 104 The Association of Marital Status with Low Birthweight, North Carolina, 1994–1995—Charlene Wood (April 1997)
- No. 105 Racial Differences in Risk Factors for Sudden Infant Death Syndrome: A Case-Control Study in North Carolina—Gabrielle F. Principe (May 1997)
- No. 106 North Carolina's Health Report Card: Progress Toward the Healthy People 2000 Objective—Kathryn B. McLawhorn (May 1997)
- No. 107 A Report on Selected Findings from the 1994 North Carolina Birth Cohort Survey—Harry Herrick (September 1997)
- No. 108 Breast Cancer Incidence, Mortality, and Survival in North Carolina—Ziya Gizlice (September 1997)
- No. 109 North Carolina Hospital Discharges: 1996 Summary—Kathryn B. Surles and Kathleen Jones-Vessey (January 1998)
- No. 110 Suicide in North Carolina—Kathryn B. Surles (August 1998)
- No. 111 Health Consequences of Underage Alcohol Use in North Carolina—Paul A. Buescher, Barbara Alvarez Martin and Robert D. Foss (September 1998)
- No. 112 Infant Mortality and Low Birthweight in North Carolina: The Last 10 Years—Kathryn Surles, Paul A. Buescher and Robert Meyer (January 1999)
- No. 113 Childhood Asthma in North Carolina—Paul Buescher and Kathleen Jones-Vessey (March 1999)
- No. 114 Multiple Deliveries in North Carolina: Trends and Outcomes—Kathryn Surles, Robert Meyer, Paul Buescher and Manjoo Mittal (March 1999)
- No. 115 Occupational Mortality Among Working-Age North Carolinians 1988–97—Kathryn B. Surles, Ziya Gizlice, Paul A. Buescher and Rebecca D. Martin (May 1999)
- No. 116 Local Public Health Priorities from the 1998 North Carolina Community Diagnosis—Gabrielle Principe (June 1999)

- No. 117 Using Death Certificates to Target Occupation Groups for Health Promotion and Disease Screening in North Carolina—Kathryn B. Surles, Ziya Gizlice and Paul A. Buescher (September 1999)
- No. 118 Potentially Avoidable Hospitalizations in North Carolina, 1997—Kathleen Jones-Vessey (November 1999)
- No. 119 Quit Smoking Attempts Among Adult Daily Smokers in North Carolina: Results from the 1993–1998 NC Behavioral Risk Factor Surveillance System (BRFSS)—Harry Herrick (January 2000)
- No. 120 Does Nulliparity Influence Estrogen Receptor Status Among Women with Breast Cancer? A North Carolina Pilot Study—Fatma Simsek and Rebecca Martin (April 2000)
- No. 121 The Effect of Stressful Life Events on Postpartum Depression—Results from the 1997–1998 North Carolina Pregnancy Risk Assessment Monitoring System (PRAMS)—Harry Herrick (September 2000)
- No. 122 Prenatal WIC Participation in Relation to Low Birth Weight and Medicaid Infant Costs in North Carolina—A 1997 Update—Paul A. Buescher and Stephanie J. Horton (November 2000)

CHIS STUDIES ***(formerly SCHS Studies)***

- No. 123 Five Year Survival Analysis of Patients with Clinical Stages I and IIA Breast Cancer who Received Initial Treatment at North Carolina Hospitals—Fatma Simsek (December 2000)
- No. 124 Using HEDIS Measures to Evaluate Medicaid Managed Care Organization Performance: The Treatment of Persistent Asthma in the Pediatric Medicaid Population—Kathleen Jones-Vessey (February 2001)
- No. 125 Enhanced Surveillance of Maternal Mortality in North Carolina—Paul A. Buescher, Margaret Harper and Robert E. Meyer (April 2001)

SCHS STUDIES ***(formerly CHIS Studies)***

- No. 126 Knowledge and Use of Folic Acid Among North Carolina Women—Robert Meyer, Alison Hayes, April Morgan, Judith Devine and Karen Powers (June 2001)
- No. 127 An Investigation of the Characteristics of Mothers and their Very Low Birth Weight Babies Referred to North Carolina's Infant Toddler Program—Harry Herrick (November 2001)
- No. 128 Hospitalizations from Injuries: A Report on the Completeness of External-Cause-of-Injury Coding in North Carolina's Hospital Discharge Data, 1997–1999—Catherine P. Sanford, Katrina R. Baggett and J. Michael Bowling (December 2001)
- No. 129 Healthy Life Expectancy in North Carolina, 1996–2000—Paul A. Buescher and Ziya Gizlice (January 2002)
- No. 130 Years of Potential Life Lost by Sex, Race, and Ethnicity, North Carolina, 2000—Daniel C. Rosenberg and Paul A. Buescher (February 2002)
- No. 131 Do Persons with High Medical and Behavioral Risks Have Limited Access to Health Care?—Ziya Gizlice and Harry Herrick (February 2002)
- No. 132 The Use of Public Health Databases to Estimate the Risk for Special Education Placement—Sandra Cluett Redden, Donna K. Scandlin, Marcia S. Roth, Judith E. Devine and Paul A. Buescher (May 2002)
- No. 133 Health Conditions and Behaviors Among North Carolina and United States Military Veterans Compared to Non-Veterans—Ziya Gizlice (June 2002)
- No. 134 Cervical Cancer Disparities Between African-American Women and White Women in North Carolina, 1995–1998—Jessica M. Edwards and Paul A. Buescher (August 2002)
- No. 135 The Association of Maternal Smoking with Infant Mortality and Low Birth Weight in North Carolina, 1999—Daniel C. Rosenberg and Paul A. Buescher (August 2002)
- No. 136 Unintended Pregnancies in North Carolina: Results from the North Carolina PRAMS Survey—Kevin H. Gross (November 2002)
- No. 137 Geographic Variation in Health Indicators across North Carolina Counties and Regions: A Comparison of Direct and Synthetic Estimates from the North Carolina BRFSS—Ziya Gizlice, Harry Herrick, and Kristi Fultz-Butts (August 2003)
- No. 138 Tobacco Use Among Pregnant Women in North Carolina: Predictors of Smoking Cessation During Pregnancy—Results from the North Carolina Pregnancy Risk Assessment Monitoring System (PRAMS), 1997–2001—Matt Avery and Willona Stallings (October 2003)
- No. 139 Self-Reported versus Published Data on Racial Classification in North Carolina Birth Records—Paul Buescher, Ziya Gizlice, Kathleen Jones-Vessey (February 2004)
- No. 140 Suicide in North Carolina: Deaths, Hospitalizations, and Youth Survey Results—Dorothee Schmid (March 2004)

- No. 141 Folic Acid-Related Dietary Preferences and Health Interests of Latino Women Living in North Carolina—April J. Morgan, Daniel Bibeau (April 2004)
- No. 142 Trends and Correlates of Breastfeeding in North Carolina: Results from the North Carolina Pregnancy Risk Assessment Monitoring System (PRAMS) 1997–2001—Pagie Hall Smith, Matt Avery, Ziya Gizlice (June 2004)
- No. 143 Spanish-Speaking Hispanics in North Carolina: Health Status, Access to Health Care, and Quality of Life—Results from the 2002 and 2003 NC BRFSS Surveys—Harry Herrick, Ziya Gizlice (July 2004)
- No. 144 Relationship between Health and Perceived Unequal Treatment Based on Race: Results from the 2002 North Carolina BRFSS Survey—Ziya Gizlice, Emmanuel M. Ngui (September 2004)
- No. 145 Sexual Activity, Knowledge, and Attitudes Among North Carolina Adolescents, 2002—J. Timothy Whitmire, Paul A. Buescher (November 2004)
- No. 146 Health Risks and Conditions among American Indians in North Carolina—Ziya Gizlice, Sara Huston (December 2004)
- No. 147 Children Who Are Medically Fragile in North Carolina: Prevalence and Medical Care Costs in 2002—Paul A. Buescher, J. Timothy Whitmire, Susan Brunssen, Deborah Nelson, Eleanor Howell, Catherine E. Klutz-Hile (February 2005)
- No. 148 Neighborhood-Level Characteristics as Predictors of Preterm Birth: Examples from Wake County, North Carolina—Lynne C. Messer, Paul A. Buescher, Barbara A. Laraia, Jay S. Kaufman (November 2005)
- No. 149 Predictors of Referral to the North Carolina Child Service Coordination Program Among Infants with Orofacial Clefts—Cynthia H. Cassell, Robert E. Meyer, Anita M. Farel (December 2005)
- No. 150 Female Breast Cancer Incidence, Stage at Diagnosis, Treatment, and Mortality in North Carolina—Sohrab Ali (June 2006)
- No. 151 Body Mass Index and Medical Care Expenditures Among North Carolina Adolescents Enrolled in Medicaid in 2004—Paul A. Buescher, J. Timothy Whitmire, Marcus Plescia (August 2006)
- No. 152 The Association of Breastfeeding and Childhood Asthma: Results from the 2005 North Carolina Child Health Assessment Monitoring Program—Harry Herrick (January 2007)
- No. 153 What New Mothers Say: Personal Comments from the North Carolina PRAMS Survey—Monique Rhames, Robert L. Woldman (May 2007)
- No. 154 North Carolina PRAMS Non-Response Analysis, 2003–2004—Fatma Simsek, Harry Herrick (October 2007)
- No. 155 Visual Impairment and Eye Care Among North Carolina Adults: Results from the New Vision Module Questions in the 2006 BRFSS Survey—Harry Herrick (December 2007)
- No. 156 Congruence Between Race and Ethnicity Reported on Infant Death Certificates and the Matching Live Birth Certificates: North Carolina, 2002–2006—Paul A. Buescher (February 2008)

- No. 157 Timeliness of Services during the First Two Years of Life among Medicaid-Enrolled Children with Orofacial Clefts in North Carolina, 1995–2002—Cynthia H. Cassell, Robert E. Meyer (April 2008)
- No. 158 Tobacco Use among Middle and High School Student: Results from the North Carolina Youth Tobacco Survey, 1999–2007—Scott Proescholdbell (June 2008)
- No. 159 Misclassification of American Indian Race in Cancer Incidence Data in North Carolina—Karen Knight, Bonnie C. Yankaskas, Anthony Fleg, Chandrika Rao (September 2008)
